My

I certainly thank
the members of the
Committee of H H the
Maha Rani's school
are entitled to travelling
allowance, when they
travel from Bangalore
to Mysore, or from Mysore
to Bangalore to attend
meetings. It is true
that they ~~do~~ give their services
without pay, but that is
no reason why they should
also travel at their
own expense. We
draw travelling allowance
when we go to Mysore
for the Dasara festivities,
& for the 1st Prayers' both
days, & we cannot

Say, that travelling
for the purpose of
discussing questions
connected with a future
school is not your work.

Pray countersign the
Hills & issue a Proceeds
authorizing the Comptroller
to pass the Hills & pay
the money. —

Time may come
when all this work
might be done gratuitously,
but it has not yet come.
These charges are not likely
to occur frequently.

I received this morning,
from Mysore I believe, the
enclosed letter & bills of
Traveling Allowance for
the members of the School
Committee who attended

the meeting at Bangalore and
had to come all the way
from Mysore. Personally I
have no objection if the bills
can be paid. But there is
nothing in the I A Code to
justify the payment, and I
am afraid if they are paid
the precedent established will
be a very inconvenient one.
We have got Committees for
several other schools. We
are going to appoint more
generally the D. C. Commissioners

or Amildar is President. If
he chooses to call the meeting
at the headquarters although
the school is in the mofussil,
all the members attending
the meeting will claim trav-
elling allowance. I see that
the Mysore Government have
ceased to pay the travelling
expenses even to the members
of the Representative Assembly.
Under these circumstances
I should be glad if you would
reconsider the matter and
disallow the travelling allow-
ance. Mr Weir never applied

for travelling allowance. I think
once on a time the members
of the Committee should show
a little self-sacrifice.

I have written about hold-
ing examinations at once
to the Headmaster & the Hon Sec,
and shall arrange for the
prizes. If we give prizes of
Rs 10 each to the first girl of
every class, as there are 18
classes, a sum of
300 - for all the prizes in the office
the members of the Committee
& others who give prizes

OFFICE OF
INSPECTOR GENERAL OF EDUCATION IN MYSORE.

No. 9866

Mysore, 18th June 1897.
Bangalore,

From

H. J. BHABHA, Esq.,

Inspector General of Education in Mysore,

To

The Secretary to the Government of Mysore
General and Revenue Departments.

SIR,

I have the honour to submit
for favour of Government Orders the accompanying
Travelling Allowance bill of Rai Bahadur
A. Narasimha Iyengar, Member of the Maha-
-Rao's Girls' School Committee in connection
with his journey to attend a meeting of
the committee held in February last.
Mr. Narasimha Iyengar claims double
first-class railway fare in his bill.

But the Comptroller acting under Article 525 B of the Mysore Service Regulations allows him only double 2nd class railway fare. The article referred to is based on Government Order No 172 (Educational) dated the 30th September 1891. Having regard however to Mr. Narasimha Iyengar's rank and position immediately before his retirement I request that Government may be pleased to sanction the payment to him of double first class railway fare to which he was entitled when in service. I beg further to recommend that a general rule may be passed to the effect that a member of the Maharani Girls' School Committee or the Text-book Committee or the Local Examination Committee who has retired from

from Government Service will be
entitled to the same rates of Travelling
allowances to which he was entitled
immediately before his retirement.

I have the honour to be,
Sir,

Your most obedient servant

H. J. Bhabha
Inspector General.
